**Geropsychology course** = Must have content congruent with APA *Guidelines for Psychological Practice with Older Adults* and be taken for at least 3 hours of credit.

**Clinical aging project** = Empirical research, extended case studies, lit critiques & analyses, or capstone projects that programs require.

**Clinical practicum with gero content** = Minimum experience of 9 months of applied supervised training for at least 10 hours per week (at least 50% clinical contact with older adults, family members, and/or care teams).

**Supervised experience** = Must include at least 30% clinical contact with older adults, family members, and/or care teams (e.g., assessment, treatment, consultation). If offered, seminar attendance, interdisciplinary team participation, readings, and research may count as part of the supervised experience for interns & postdoctoral fellows.

**CE coursework** – Must be approved by APA or by another major mental health organization.

---

### Specialty

**Geropsychology**

### Level of Training

- **Doctoral**
  - 2 gero courses* AND 2 clinical gero practica* AND a clinical aging project*

- **Internship**
  - At least 50% of supervised experience* in geropsychology

- **Post-Doctoral Fellowship**
  - 80-100% of supervised experience* in geropsychology

- **Post-Licensure**
  - 100 hours of gero CE* AND 2,000 hours of supervised experience in geropsychology

### Major Area of Study

- **2 gero courses AND 2 clinical gero practica**
- **At least 50% of supervised experience in geropsychology**
- **80-100% of supervised experience in geropsychology**
- **100 hours of gero CE AND 2,000 hours of supervised experience in geropsychology**

### Emphasis

- **2 gero courses AND 2 clinical gero practica**
- **>30% and <50% of supervised experience in geropsychology**
- **>40% and <80% of supervised experience in geropsychology**
- **50 hours of gero CE AND 1,000 hours of supervised experience in geropsychology**

### Experience

- **1 gero course AND 1 clinical gero practicum**
- **>20% and <30% of supervised experience in geropsychology**
- **>20% and <40% of supervised experience in geropsychology**
- **25 hours of gero CE AND 500 hours of supervised experience in geropsychology**

### Exposure

- **1 gero course OR 1 clinical gero practicum**
- **5% - 20% of supervised experience in geropsychology**
- **5% - 20% of supervised experience in geropsychology**
- **15 hours of gero CE**
